When one of you sneezes  
he should say:

“All praise is for Allah”,

And his brother or companion  
should say to him:

“May Allah have mercy on you”,

And he (i.e. the one who sneezed)  
replies back to him:

“May Allah guide you  
and set your affairs in order.”

(Al-Bukhaari 7/125)

Saliha was building  
The best castle around,

In the big sandbox  
At the playground.

It had towers, and turrets,  
And windows galore!

She was just getting ready  
To add on some more...

When all of a sudden,  
She felt a small itch...

Her nose felt funny,  
It was starting to twitch...

She sniffed for a second,  
Then snuffed for two,

Then finally, she said...

“Achoo!”

She thought she was finished,  
Her sneeze was all done.

Now she could get back  
To her sandcastle fun.

Then she remembered,  
There was something amiss,

A Muslim could never  
Forget about this...

The Muslim says something,  
Parts **one**, **two**, and **three**,

She couldn't remember...  
What could they be?!

The **sneezer** says two parts,  
(The **beginning** and **end**),

But the **middle** part  
Has to be said by a **friend**.

Salihah looked around  
For someone to help,

Then she saw Fatimah,  
And let out a yelp!

“Do you happen to know,  
Could you tell me please,  
What do we say when we sneeze?”
